Issue 2 Term 2

HIGHLIGHTS

Cross Country

The year 4/5/6's who made the cross country team have been training at lunch times.

Learning Leaders:

Some of the 2/3 and 6s have been participating in the program learning leaders, where a 2/3 buddies up with a year 6 and the Year 6s work on the 2/3s to develop their reading and maths skills.

House Sports:

There has been house basketball for 5/6s at play times. Junior house basketball will occur after the production. House football started this term for the junior school.

ANZAC Day ceremony:

We were very proud of all the students who

showed a great deal of respect for our fallen soldiers. We thought all the presenters did a fantastic job.

Year 2 Sleepover:

Not that long ago the Year 2s had their sleepover. Congratulations to every one who came along and had an amazing sleepover.

Mother's Day:

I hope EVERYONE spoiled their mum this Mother's Day by buying her a gift from the Mother's Day stall held at the school.

A visit from CLIFFORD

A very big highlight from the start of this term just has to be Clifford coming to visit. Clifford came to read with the junior school then popped into

assembly to say hello.

The winners from the colour in competition even got to shake Clifford's hand!!!

Production 2012

Our lovely performing arts teacher Nicole Creek has set the production for 2012 as 'The Legend of the Lion King'. She has chosen many talented Year 5 and 6 students for main parts. The main cast was announced on the last day of Term 1. The main cast sheet is on the Performing Arts door and near the office. Well done to all the students who got a main part. Nicole wants the production to be unique and original. Each class has a performance that they practise every week in their Performing Arts time. People are going to love this production which includes mystery, love, fun, excitement and changes.

Nicole has picked out some amazing songs like:

**Two Worlds
The Lion Sleeps Tonight
Hakuna Mattata
I Just Can't Wait To Be King
Be Prepared
And many more!**

As some of you may know Nicole has made some changes to some parts of the production. She changed the song 'The Circle of Life' to 'Two Worlds'. From the title being 'The Lion King', it is now 'The Legend of the Lion King'. The production is going to be excellent. We hope all of the students in the production have a fun time and enjoy themselves. We also hope that lots of parents will be there to support the kids. It's going to work out as a great memory to the school. We'll see you there! The 'Legend of the Lion King' will premiere in early August.
